

BIG ATHLETIC DAY

BRINGING UP FATHER

Washburn Football Field a Busy Place Saturday.

College, H. S. and Grade School Boys All Out.

Washburn field was a busy place Saturday. Several events were pulled off that were not scheduled, but nevertheless very interesting and instructive. Before 3 o'clock the small school boys, full of energy and pep following the first long week of compulsory attendance at school arrived at the field, headgear and armor for the fray. A little later Coach Bears' and his husky high school lads fully equipped and anxious for the fray put in an appearance. These two groups occupied the field for the forenoon.

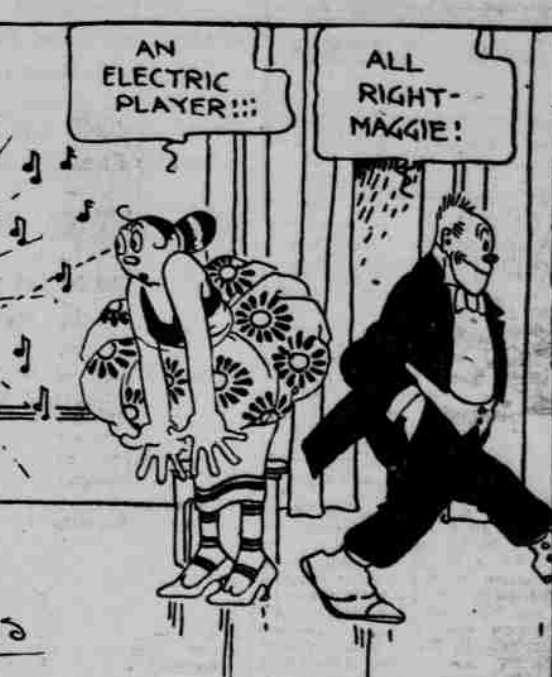

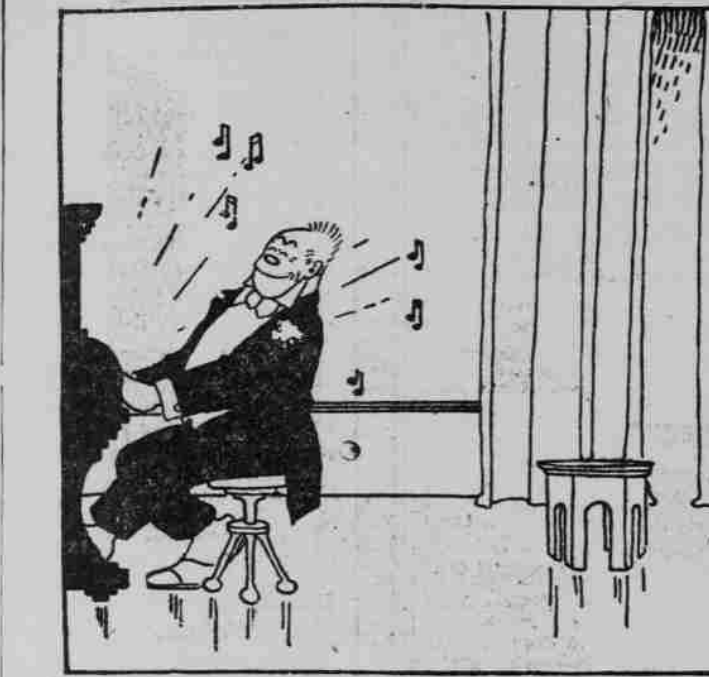

The first event staged was the kids' game. Headed by Coach Kennedy's son "Bud," 9 years of age, the fourth grade boys of Central Park school numbered a squad of fully twenty players. Their opponents, the representatives of the same grade from College Hill school, only could muster seven, but their leader refused to put in rangers and faced the Central Park eleven with his small but well chosen players. With a foreboding of what might be in store for his small players, the captain presently addressed them. "We are not here to beat, but to have some fun."

Too Many Men. And fun it surely was. Coach Kennedy refereed the game, and the gathering of high school boys acted as spectators and routers and general advisors. In the first place it was some job for the twenty Central Park boys to contract their players to the required number, especially as the authority of captain had not been established. However, one future Washburn prospect dressed in the latest and most accepted style of football tuggery, and doubtless assuming authority for that very reason chose his line-up and the fray was on. College Hill had no such trouble. Their seven "men" could not even comply with the rules. But a little more organization and the fewer numbers seemed to help in that it kept down internal dissension and made the contest an even one.

During the first half of about twenty minutes, true not being taken out for delay, neither side could score. The Central Park took the ball by full runs and tackle, hucks to the yard line. But poor judgment in cutting plays gave the Central eleven from College Hill their chance and they responded by making a road line stand and taking the ball on downs from their benighted opponents.

The Second Half. In the second half each side received some recruits. It was surprising how many big boys of twelve and thirteen years of age were willing to be demoted and take up the burdens of the fourth grade. Neither side seemed much disturbed by eligibility rules. Yet it must be said to the credit of the small squad from College Hill that they played their fifth to their original seven, and fought a game fight.

In the closing moments of the second half Central Park scored a touchdown but missed goal and the game was called to permit the big boys to

use the field. "Who beat," said the little colored quarterback of College Hill. "They did," said his red-headed halfback compatriot, "but we sure made them fight."

The high school boys worked for two hours under the direction of Coach Bears with Coach Kennedy making several suggestions. And in the afternoon freshmen and varsity candidates gathered to the number of about forty and indulged in a light scrimmage. But the Fourth Graders from the public schools sure pulled off the big event of the day.

CHASE UNION ORGANIZER

Tennessee Miners Object to Work of Western Federation Agent.

Copper Hills, Tenn., Sept. 25.—Miners and citizens, incensed because representatives of the Western Federation of Miners attempted to organize miners employed in the copper and iron ore mines here, seized city E. Miller of Denver, Colo., organizer for the Western Federation of Miners, drove him to the outskirts of town, whipped him and ordered him to leave. The mob was composed of 200 men and boys.

J. A. Jones, Miller's assistant, was dragged from bed in a local hotel, marched before a crowd on the streets and made to swear he would leave town on the first train. Many of the miners are members of the United Mine Workers of America and are opposed to the activities of the Western Federation.

10 Per Cent Raise for 2,000.

Patterson, N. J., Sept. 25.—Five hundred workers in the Dolphin Lake mills will participate in a voluntary increase of 10 per cent of wages granted by the firm Saturday. The granting of this increase simultaneously with one announced at the same time by the Barbour Plank Spinning company provides higher wages for nearly 2,000 mill workers of this city.

TOURNEY BIG SUCCESS

Mrs. Levitt and A. J. McNeal Won in Scotch Foursome Match.

The mixed Scotch foursome event, the final playing feature of the Country club golf tournament Saturday, was one of the most interesting parts of the big tournament and was participated in by eleven couples, being won by A. J. McNeal and Mrs. Levitt after a hot contest with Mr. and Mrs. E. A. Tirrell.

At the end of the nine holes both couples had scores of 49, but in the play off McNeal and Mrs. Levitt won. The prizes were a handbag donated by Pelletier's and a pair of gentlemen's gloves given by A. J. McNeal. The other couples participating in the play were: Mr. and Mrs. Bunker Gov. and Mrs. Capner, Mr. and Mrs. McKewer, Mrs. Humphreys and C. G. Galt, Mrs. Galt and John Waters, Mr. and Mrs. Bullis, Mrs. Ross and "Kid" Sochols, of Kansas City.

According to officials of the Country club, the tournament was one of the most successful ever held, and the interest shown by out-of-town players presages a record attendance at the next state tournament which will be held in Topeka.

2 MILLION SINCE FEB.

Germans Estimated to Have Lost Half Million at Verdun.

Paris, Sept. 25.—An unofficial estimate published here of the Austro-German losses from February of this year to the end of summer place the number at two millions. Of these 700,000 were estimated to have been suffered on the eastern front; 500,000 at Verdun; 400,000 on the Italian front; and 400,000 on the Somme.

WANTS
